SANTA CLAUS CAME TO APPOMATTOX on Monday night, visited with children at the Triangle Plaza Shopping Center and presented a check to a member of the Appomattox Volunteer Fire Department.

Raider, Players of the Week, are shown above from left, Sophomore Darrell Schrock, Offensive Split End, made five pass receptions, Joe Fraley, Junior, Quarterback, completed 13 of 22 pass attempts for 2 touchdowns and 1 PAT; and Ronnie Abernathy, Junior, Offensive Guard, Defensive linebacker, played extremely well both ways.

Lancers Top Raiders 42 - 22

The Raiders traveled to Amherst last Wednesday night after two postponements, anticipating a win that would give them a break even season in Seminole District at 5-5. It was not to be, however, as Kenny Dixon, Lancer kickoff - return specialist, returned the opening kick-off 88 yards and a touchdown that gave Amherst a lead before the crowd settled in their seats.

As they have throughout the season, the Raider opponents found they could move the ball well through the air and the Barry Booker, Bernard Frank-lin combination worked to perfection with completions of 42-24 and 64 yards which produced two second half touchdowns.

The first Raider touchdown came moments after Appomat-tox fell on a Lancer fumble at the Amherst 18 yard line in the second period. Jay Franklin scored from the five. Joe Fraley, passing to John Rothgeb, after time ran out in the first half, had the ball tipped by two Lancers but Rothgeb pulled it in for a 25 yard score. After a two point conversion, Appomattox trailed by seven at the half and seemed to be in the game until the Lancer passing attack in the second half.

The coaches and players should not be disappointed in the 1977 season although there were several games that could have been posted in the win column with just a differenn bounce of the ball. It was noted early in the season that the team was young and lacked experience. It was a rebuilding year and a 4-6 season was not bad. Just as sure as the coaches retained their scalp this year, Raider fans can look for better things in 1978.

AMERICAN EDUCATION WEEK
APPOMATTOX PRIMARY SCHOOL
November 13 - 19, 1977

What is American Education Week?

-American Education Week, traditionally scheduled for the week in which Veterans Day is observed, is an annual event designed to focus public attention on the needs and achievements of the nation's schools. It serves to increase public understanding and appreciation of the schools, to secure civic and community support for measures to improve the schools, to encourage parents to visit their children's schools at least once a year, and to help students gain an appreciation of what the schools are doing for them.

The theme for American Education Week is "Working Together for Education".

Come to our PTA on November 17, 1977 and let's work together in understanding the program "Child Evaluation". Mrs. Goode, a first grade teacher, will share components for determining a grade; Mrs. Torrence, principal, will review the revised report card, and Mrs. Hesson, General Supervisor of Appomattox County, will review the testing program for the school division.

The program will begin at 8:00 in the cafeteria. Book Fair will be held in the media center from 7 - 8 p.m.

FARMERS' 1978 PLANS, GOAL OF USDA SURVEY:

The large 1977 wheat harvest coupled with the new farm program, and a recent rise in hog numbers and cattle on feed have created an increasing interest in agriculture's upcoming potential.

The Virginia Crop and Livestock Reporting Service working with the U. S. Department of Agriculture will conduct a survey in late November and early December to put some solid information on the line as to how many acres farmers planed to winter wheat for harvest in 1978, how many cattle are on farms and ranches, and the size of the hog inventory and the number of pigs expected to be born in early 1978. Another report will cover chickens.

These estimates will be based on mail survey responses from some producers and personal interviews with others. Overall, a representative cross-section of America's agricultural producers will be asked to voluntarily cooperate in the project.

Robert E. Schooley of the Virginia Crop and Livestock Reporting Service noted that the purpose of the survey and resulting reports is to provide producers and those associated with them with the latest information for reasonable production, storage, and marketing decisions.

Information about wheat acreages and production and hogs will be available December 22, and cattle and chicken data on January 30, 1978. Copies of the reports will be available from the Virginia Crop and Livestock Reporting Service office at 203 N. Governor Street, Richmond, Va. 23219.

TOYS FOR TOTS PICK-UP ANNOUNCED

La Casa Grande will be the pick-up point for the U. S. Marines "Toys For Tots" program in Appomattox County.

In past years, Lynchburg has been the pick-up point and the toys were distributed only in Lynchburg. Now that we have a pick-up point in our county, toys will also be distributed here.

Please bring your toys so more children will have a happy Christmas.

Concord Garden Club

The November meeting of the Concord Garden Club was held on November 14th in The New Concord Presbyterian Church with Mrs. J. W. Pratt as coordinating hostess.

The theme of the meeting was "A Christmas Workshop."

After a brief business session, presided over by the president, Mrs. Kelly Webb, the members and guests began working eagerly on various crafts for Christmas.

The club was fortunate in having the leadership of Mrs. N. A. Staten, owner of Dee Craft Shop, who provided a variety of materials and instruction for the articles made from tin cans, clothes-pins, spools, beads, ribbons, and miniature objects that resulted in beautiful Christmas decorations.

Mrs. Ernest Rhodes displayed her lovely and interesting collection of varied Christmas ornaments and shared with Mrs. Staten in assisting club members and guests in reproducing some of them.

At noon a covered dish luncheon was served by club members. The afternoon was spent in completing individual projects.

The annual Christmas party will be held in the home of Mrs. Donald Johnston. Husbands will attend and Christmas gifts will be exchanged.

Judge Garnett Will Speak At U.D.C. Meeting Thursday

Judge Henry Duncan Garnett of the Seventh Judical Circuit of Virginia will be the speaker at a dinner meeting of the Appomattox Chapter of the United Daughters of the Confederacy on Thursday evening, November 17, 1977 at Maudes Restaurant at 6 p.m.

Judge Garnett will be introduced by Mr. Harry G. Lawson of Appomattox.

Judge Garnett was scheduled to address the local Chapter in January of this year but on account of extremely cold weather, the meeting was cancelled. We are fortunate to have Judge Garnett for this meeting as he is in much demand as a dinner speaker, especially for programs concerning the Confederacy. In 1973 the United Daughters of the Confederacy awarded Judge Garnett the World War II Cross of Military Service.

He received his Law Degree from the University of Richmond in 1946. He enlisted in the Army at the outset of World War II and saw service in North Africa, Italy, Okinawa and Occupied Korea. Upon his release from service, he held the rank of Captain.

He is married to the former Frances S. Williams of Richmond, who is a niece of Mrs. Shafter C. Drinkard of Appomattox. The Garnetts reside in Newport News but spend frequent week ends at a home and hunting lodge they purchased in Glover Hill District of this county.

All reservations have been taken at this time. A very large attendance is expected.

TODAY: Odor problems are solved thanks to that old performer, hydrogen peroxide. Scientists at Du Pont have found that a chemical called "Fyxul" WW hydrogen peroxide is an effective cure for the sulfide odor, which smells like rotten eggs. This versatile chemical eliminated the odor problem and quieted complaints from homeowners.
